Dear Dr. Theodore G. Cleveland:

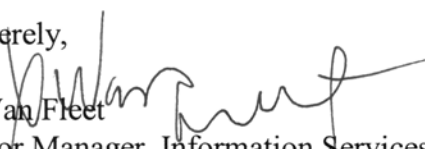

Permission is granted for reuse of figure 1 *Civil Engineering—ASCE*, Vol. 12, No. 10, October 1942, pg 571 in the Journal of Irrigation and Drainage published by ASCE under the title "Instantaneous Unit Hydrograph Evaluation for Rainfall-Runoff Modeling of Small Watersheds in North and South Central Texas;" IR/2004/022737. This is a one-time grant covering only the terms and conditions specified. Please add full credit line to the materials to be reused.

The fee is waived.

By the end of November we will implement Rightslink, an online permission service, which will allow you to obtain instant permission. Please go to the CE Database (<http://www.pubs.asce.org/cedbsrch.html>), locate the article, and click "Permission for reuse" button, which will take you to Rightslink.

If you decide not to use this material, please advise the grantor (ASCE) within 30 days.

Sincerely,

Xi Van Fleet
