Michael R. Lindeburg PE's *FE Civil Review* offers complete review for the FE Civil exam. This book is part of a comprehensive learning management system designed to help you pass the FE exam the first time.

Features of *FE Civil Review* include:

- complete coverage of all exam knowledge areas
- equations, figures, and tables for version 9.4 of the *NCEES FE Reference Handbook* to familiarize you with the reference you'll have on exam day
- concise explanations supported by exam-like example problems, with step-by-step solutions to reinforce the theory and application of fundamental concepts
- a robust index with thousands of terms to facilitate referencing

This book is a companion to the *FE Civil Practice (FECEP1)* book in chapter sequence, nomenclature, terminology, and methodology, so you can easily practice where you need more support. [Click here](#) to buy the FE Civil Print Bundle and save \$100 plus get free shipping.
